

# ROBATA BEAST 160

Open grill with 4 cooking tiers

## FEATURES

The Mibrasa® Robata Beast is an open grill conceptualized and engineered for chefs in need of high production and versatility.

Equipped with 4 fixed levels, each of which offers extensive, adaptable and removable cooking surfaces that allow you to cook multiple ingredients. Execute varied cooking techniques from direct, vertical, skewer and spit-roast, among others to suit all types of gastronomy.

Guarantee maximum heat efficiency and a higher burning capacity of charcoal or firewood thanks to the base pit lined with refractory bricks.

Experiment with levels, temperatures and position of the grills to apply infinite cooking techniques at the same time.

## TECHNICAL INFORMATION

| Reference                           | RM160                 |
