FEATURES

FULLY CUSTOMIZABLE MADE-TO-MEASURE
OPEN-FIRE GRILLING

Based on a personalized and functional design for optimal utilization, your Mibrasa® Parrilla CUSTOM will be designed and built to your specifications to optimize your kitchen space.

The hearth and wall lined with refractory bricks is designed to harness heat energy for maximum efficiency. Combine charcoal and firewood for a high performing grill, and enhance your cooking experience to deliver flame-kissed food like no other.

The versatile wall grid system lets you effortlessly hook, place and freely rearrange multiple grids in any position you need along the side and back walls.
